

AZERBAIJAN STATE UNIVERSITY OF ECONOMICS (UNEC)

DEPARTMENT:

MASTER OF BUSINESS ADMINISTRATION

PROGRAM: MBA

SPECIALIZATION: ACCOUNTING

Objective:

Accounting specialization teaches and trains students the methods to analyze, recognize, measure, re-measure and de-recognize the elements of financial statements using the IAS and IFRS frameworks. The specialization aims at preparing future professional managers by training the magistrates to examine financial statements based on auditing methodologies in compliance with American Institute of Certified Public Accountants and International Accounting Standards Board.

MBA program length and location:

Accounting specialization of the MBA program lasts for 4 semesters within 2 academic years.

The course requirement is 11 core courses (66 credits), 3 electives (18 credits) and a capstone project (12 credits), total 96 ECTS (European Credit Transfer System) credits.

Converted to US credit system the course requirement is 11 core courses (33 credits), 3 electives (9 credits) and a capstone project (6 credits), 48 credits in total.

Courses are taught in fall, spring and summer semesters three times a week. University is located in Istiglaliyyat Street 6, AZ1001, Baku Azerbaijan.

Contacts: e-mail: mba@asue.edu.az, tel/fax + (99412) 497 62 67

Admission requirements to the program:

Baccalaureates having a minimum of 2 years of work experience with different backgrounds (economics, commerce, mathematics, engineering, medicine etc.) are eligible to join the MBA program. Eligible international students are accepted to the program based on a contract signed between both parties (university and potential student). Local students are required to pass a uniform state attestation exam before applying to the MBA program. Potential students are required to provide a proof of English language skills along with academic eligibility.

Admission of international students:

Online admission process is carried out through kabinet.unec.edu.az website. International applicants choose a specialty, a language of instruction, and submit the required documents in electronic format. Candidates who meet the application requirements will be admitted. The recommendation letter is included in the required documents. If needed, applicants will be interviewed via “Skype”.

Advantages of teaching methods in the MBA program:

The MBA program seeks to improve students for their leadership skills, prepare them to master systematic knowledge, capabilities and management skills, enhance their professional competence, investigate complex business information, learn analytical thinking and decision-making skills, nourish student’s entrepreneurial mind, teach them business ethics, presentation and time management skills. This program prepares students to occupy top positions in organizations with different cultures. Case studies, presentations, time management skills, group/individual projects, and business games along with theoretical approach complement a rigorous program. The program also aims at teaching students with change management skills peculiar to non-government, not-for-profit and commercial organizations along with proactive thinking style to project scenarios in a regulatory environment. Students will be graded through midterm, class attendance, participation, home works, and final examinations.

Lecturers/Professors of the MBA Program:

Along with full time faculty members of UNEC the MBA program benefits from scientific and practical potential of professors and lecturers with top academic and managerial background whether in public, government, or private. The program also invites academicians from high ranked universities around the globe and takes advantage of their scientific knowledge and practical potential.

Diploma:

Magistrates who maintain excellent, good, or satisfactory academic standing and graduate from the MBA program receive their MBA degree with all the rights and privileges related to this degree.
