18	Supervisor must evaluate, sign and submit the fourth report signed by the student to the Department of Economics and Management until April 20, in accordance with the relevant paragraphs of Part III of the Rules for Writing and Evaluation of Master's thesis, signed by the undergraduate.

Students, who have successfully completed their dissertation reports, may submit an electronic and polished version of the dissertation (signed by the student and supervisor) within the specified period to the Department of Economics and Management. Dissertations that do not meet the requirements of the “Writing and Evaluation Rules of Master Thesis” will not be accepted:

01.05.2020 - Groups 12, 74, 122, 132, 402, 403, 802, 803

04.05.2020 - Groups 32, 142, 204, 422, 450, 812

05.05.2020 - 62, 82, 205, 214. 622, 632, 822, 832 groups

06.05.2020 - 22, 23, 222, 223, 234, 235, 642, 842, 852

07.05.2020 - 42, 92, 252, 302, 652, 872, 873 groups

08.05.2020 - 502, 262, 112, 602, 672, 902, 922 groups

12.05.2020 - 702, 112, 303, 312, 614, 643 groups

After this time, the dissertation will not be accepted due to violation of the requirements of the “Writing and Evaluation Rules of Master Thesis” and it is considered that the student has not followed the academic calendar plan. The process of plagiarizing and defending dissertations that have been delayed or not compiled in accordance with the requirements of the Regulations should be transferred to next in accordance with the requirements of the relevant regulations.

19

According to the plagiarism rules I Plagiarism Rates should not exceed 50%, II Plagiarism Rates should not exceed 4%.

Students who pass plagiarism check successful must submit documents required for defense in the Specialized Council, to the department from the May 29, 2020. List of documents to be submitted:

- application (with the initials of the Director of IMDC);
- supervisor’s evaluation form;
- the official reviewer's evaluation form;
- copy of the master's work plan;
- plagiarism certificate;
- master's thesis - 1 hard copy;
- abstract - Print in as many copies as the members of the Specialized Council;
- disk with dissertation;
- letter from the department;
- Copy of ID card and student ID;
- Copy of published scientific articles on dissertation.

20

The articles can be published on the EAC's official website, in definite economic journals and international scientific journals. Articles or abstracts published in materials of international and local scientific conferences should be accompanied by a approved certificate by the organizers.

If the I Plagiarism rate of the master's thesis is less than 50%, and the II Plagiarism rate is between 4.01 - 10% student must make relevant changes in thesis during 15 days and receive evaluation from the supervisor for updated work. Thesis should be submitted to the department for plagiarism check after 15 days from initial plagiarism check.

If the I Plagiarism rate of the master's thesis is more than 50%, and the II Plagiarism rate is more than 10% it is necessary to make appropriate changes in the dissertation during 1 month, receive a new opinion of the supervisor for the changed dissertation and return to the department for submission.

If the I Plagiarism rate of the master's thesis is more than 80%, the dissertation is not appropriate for the defense. Master students who are satisfied with the results of re-plagiarism review of the thesis must submit the required documents to the department by 22.06.2020. The dissertation will not be accepted for defense later than shown date.

21

Students who have submitted their dissertation in a timely manner, have successfully passed plagiarism, have no academic debts and submitted the required documents on time must defend the dissertation in the Specialized Council.

The student must meet with the Secretary of the Specialized Council at least 3 days before the date of defense appointed by the Specialized Council and make sure that all the documents required for defense are in order.
